FOR IMMEDIATE USE

That is what one Government department alone has requested. We also have many calls from commercial houses which we are unable to fill on account of a lack of eligibles. We have just completed arrangements whereby a limited number of young people will be given courses, and allowed to pay tuition when positions are procured. This is an opportunity of a lifetime for a few ambitious young people to qualify for good positions, who are financially unable to do so; and those who are interested should see us at once as this offer will only be open for a short time. Call today, if possible, and see MR. HARMAN.
